Seaside SandFest Volunteers

We'd love some volunteers.

We have need for gate staff and Merch tent volunteers. This is a mostly seated position.

We also have need for a runner. Have a car and know the area?

Contact Stefanie Adams, volunteer coordinator. Text is best, 360-798-0346

Sponsors - Still time if you'd like to sponsor Seaside SandFest.

Get your logo carved in sand, and invest in a growing event bringing people and publicity to Seaside.

SPEAKER

Recology

Bert Adams from SandFest was our speaker last week. We learned why sand sticks! We also learned about SandFest taking over Seaside Beach this weekend.

Kevin & Karen Leahy are hosting a club social at their home in Astoria on Thursday, September 17 from 4:00-5:30 pm. Food and beverages will be provided. Note that it will be outside on the back deck so dress accordingly!

The weather forecast looks sunny at this point, but that can change several times!

(The deck is not ADA compliant; there are four small steps to get down to the deck area)

*Address: 1759 5th street, Astoria
97103*

Parking is limited so park on Nehalem Avenue below if the hillside parking is full.

We will then proceed to the Astoria Trolley Barn, where Bill Montero has arranged for a private Trolley tour of the Astoria waterfront!

Address is 480 Industry and we will caravan to the Port of Astoria location for a 6:00 pm departure.

The Trolley does not run in the rain. We will update the club if there are any changes to this plan early next week, but fingers crossed it will be as scheduled.
