We will go to the classes in groups of 2 or 3 Rotarians. If possible, please plan on helping out with this service project.

Tom's Thoughts!

Last year I helped Bob Perkel hand out atlases. The students were very curious about Rotary and Polio. They even asked questions about Iron Lungs. It was a neat service project. If you can help out this Thursday we would appreciate it and you may be surprised at how much fun it is!

Reminder we only have 3 more Rotary Club Meetings this year.

It's okay to have feelings. But do you need to have so many?
